

Homework Assignment Two

Read Ephesians 5:25-33 (together) and list what the responsibilities the husband has in the marriage. Then list what the wife's responsibilities are. A Bible commentary would be helpful if you have one.

After you complete that go back to verses 21 to 24 and do the same.

Answer the following questions:

- 1.) Who is responsible to start the love process in marriage?
- 2.) How is the husband to love his wife?
- 3.) What should her response to him be?
- 4.) How does a couple submit to each other?
- 5.) What is the mystery Paul is speaking of in verse 32?

Write your answers out and bring them to your next session.
